Memorandum:Subj: WINGDALE CAMP CORP., a.k.a. "CAMP UNITY",
Wingdale, New York.

Information - Lt. Com. J. S. Brady - OND - 2ND - N.Y.

1. The Wingdale Camp Corporation, also known as the Lake Ellis Camp Corporation, The Loujack Corporation, operates a summer camp on Lake Ellis, N.Y., about three miles from Wingdale, N.Y.

2. The camp has been in operation for about ten years, is commonly known as CAMP UNITY, and is referred to locally as "the Communist Camp." The Camp is operated during the summer months, and caters to a most unusual clientele. Reputedly, people of all nationalities, as well as members of the white, yellow and negro races, come there during the vacation months, reside there and mingle and associate freely together. The camp motto is reported to be "In unity there is strength", and Communist meetings and demonstrations are held.

3. CAMP UNITY, itself, is a wooded tract of considerable extent, on the shores of Lake Ellis, and the camp plant consists of a casino, recreation hall, bath house, and numerous bungalows and cottages of flimsy frame construction. Except for a construction job and a substantial frame structure which was being erected near the gate, where a number of workmen, evidently from a local contracting firm, were working, the camp appeared deserted when visited by the investigator. In the summer months, however, it is reported that as many as 1200-1500 people are at the place at one time. Records in the office of [REDACTED]

Town of Dover, exhibited by [REDACTED] re- b7D
vealed that in 1941 the property, consisting of 380 acres, was NIS assessed for \$57,300, including land and buildings.

4. Director of CAMP UNITY is a Louis Pasterneck, who was contacted by the investigator. Mr. Pasterneck, according to [REDACTED] is an enrolled voter of the Communist Party. Other officials of the firm, obtained from records of the Dutchess County Clerk's office, include [REDACTED] b7D+G
[REDACTED], NIS

[REDACTED] The Corpor-

ation attorney is given as [REDACTED]. According to reliable informants, listed below, the Corporation has a mailing list of over 30,000 names. There is not the slightest question in the minds of any of the informants as to the definite Communist activities of the Camp. CAMP UNITY in the summer months has been for the past few years holding a meeting for all classes and types of people: negroes, whites and yellows, all mixed together. Meetings and demonstrations are held.

and most local taverns will not accept the trade of the camp clientele. Reportedly, Communist symbols, flags, etc., are displayed at the Camp; none of these were in evidence when the investigator visited the site; however, one should remember that the activities of the camp take place in the summer months. The common local opinion seemed to be shared by various residents of Wingdale, Dover Plains, N.Y., and surrounding locality in that those attending the camp are "a bunch of nuts".

Note: The foregoing information concerning CAMP UNITY is an excerpt from DIO-3ND MI-118 Investigation Report on Morton SOBELL, suspected Communist, 2225 N St., N.W., Wash., D.C. The excerpt was reported by the investigator to be a composite sketch of the organization known as the Wingdale Camp Corporation, as assembled from facts given by [REDACTED]

HERMAN THEODORE EPSTEIN
SECURITY MATTER - C

HERMAN THEODORE EPSTEIN presently resides at 4715 Mariposa Street, Pittsburgh, Pennsylvania, is an assistant professor of physics at the University of Pittsburgh, Pittsburgh, Pennsylvania, and is white.

No information has been developed indicating that DORIS E. EPSTEIN, the subject's spouse, is employed in any capacity other than as a housewife, and she is white.

Investigation in this matter was originally initiated in September, 1950, as a result of information received reflecting that EPSTEIN had been receiving Communist literature, including the "Daily Worker," and that he was considered a "Big Left-winger in the Pittsburgh District." Also, during September, 1950, EPSTEIN was interviewed in connection with the investigation "WILLIAM PERL, was., Espionage-R," at which time EPSTEIN related that he had been employed under the direct supervision of PERL at the National Advisory Committee for Aeronautics, Cleveland, Ohio, from January, 1944, to the fall of 1946, that he and PERL had maintained personal contact during the interim since they engaged together on a research project in biophysics, and that he considered himself to be one of PERL's closest friends.

The investigation at Pittsburgh to date has failed to disclose any Communist Party or related front activity on the part of the subject or his wife. It is further noted that Security Informants of the Pittsburgh Division familiar with general Communist Party activities, have no knowledge of the subject.

In addition, the investigation to date has not disclosed any specific information reflecting that known associates of the subject are members of the Communist Party or actively engaged in related activities.

It is further noted that numerous interviews have been conducted among individuals who were acquainted with the subject.

Director, FBI

October 28, 1952

In general, these interviews have failed to develop any information indicating subversive activities or associations on the part of EPSTEIN. It is noted, however, that one interviewee, Professor ROBLEY WILLIAMS, University of California, Berkeley, California, advised that EPSTEIN while at the University of Michigan, in 1946, was active in and sympathetic with the American Youth for Democracy or the American Youth Congress at the University. WILLIAMS further stated that he believed EPSTEIN followed the thinking of the Communist theories.

[REDACTED] It is noted, however, that PROFESSOR WILLIAMS knew of no specific acts of subversive activity in which the subject engaged.

In another instance, information received from [REDACTED] Office of Research, Rocket Propulsion Laboratory, National Advisory Committee for Aeronautics, Cleveland, Ohio, during the fall of 1950, in connection with the WILLIAMS PERL investigation, reflects that on one occasion HERMAN T. EPSTEIN, then associated with the University of Pittsburgh, allegedly had stated that in the event of a war with Russia he, EPSTEIN, would not support the United States.

Concerning other relatives of the subject active in subversive groups, it is noted that CELIA GREENBERG JACOBS, nee Epstein, a sister of the subject, presently residing in Sausalito, California, is the only known relative concerning whom derogatory information has been developed.

The Los Angeles Office has reported that according to information contained in the records of the Naval Air Missile Test Center, Point Mugu, California, [REDACTED] was employed at that installation from February, 1946, to December, 1949, and that she was not eligible for rehire. This record also contained a notation reflecting that the District Intelligence Office, Office of Naval Intelligence, Los Angeles, California, had reported that [REDACTED]

[REDACTED] and [REDACTED] wrote articles for the Communist paper, "People's World," and that she was believed to be an active Communist Party member. Other information concerning [REDACTED] reflects that in January, 1944, while employed by the NACA at Cleveland, Ohio, information was received disclosing that literature maintained in her rented

room included "How Nazis Entered New York," "Facts and Fascism," "Secret of Soviet Strength," "Political Action," and "Lessons from the Cleveland Election--Protestant," and that during 1943, while employed at Langley Field, Virginia, [REDACTED] was reported to be a member of the American Association of Scientific Workers. b7c

It is further noted that in connection with the case entitled "WILLIAM PERL, was., Espionage--R, Perjury," EASTMAN N. JACOBS, San Jose, California, and his common-law wife, CELIA JACOBS, were interviewed by Agents of the Los Angeles Office on August 18, 1952. CELIA JACOBS during the interview denied ever having been a member of the Communist Party. Further, she was reticent to voluntarily furnish information but indicated a willingness to answer specific questions and would furnish limited information concerning some known associates of PERL.

With reference to the employment of [REDACTED] at the University of Pittsburgh it is noted that a letter dated July 7, 1952, to the Director of Naval Intelligence from the Fourth Naval District Intelligence Office, regarding the subject reflects that according to a communication from the Director, Office of Naval Research, New York, New York, to the District Intelligence Office, Fourth Naval District, dated June 13, 1952, as of the latter date [REDACTED] was not engaged on a project sponsored by either the Office of Naval Research or any other government agency. This communication indicated that a proposal had been submitted by the University of Pittsburgh to the Chief of Naval Research, New York, New York, wherein [REDACTED] was proposed as one of the investigators. No further information concerning this has been brought to the attention of the Pittsburgh Office. b7c

After a careful evaluation of the investigation to date, it is the recommendation of the Pittsburgh Office that EPSTEIN not be included on the Security Index of this division.

With reference to an interview of the subject at this time, as is set forth before, EPSTEIN was previously interviewed in connection with the PERL investigation and furnished information concerning his relationship with PERL. It is pointed out that this interview was prior to the indictment of PERL for perjury.

Director, FBI

October 28, 1952

Other than the subject's association with PERL, information developed to date has disclosed no particularly significant association or participation in the Communist movement on the part of EPSTEIN. Under these circumstances, it is questionable that a current interview of the subject would be productive insofar as general Communist Party and related activities are concerned; and, in the absence of a specific request of the New York Office, no further contact with EPSTEIN concerning PERL is contemplated.

Therefore, the Pittsburgh Office is not recommending an interview of EPSTEIN and, unless advised to the contrary by the Bureau, is placing this investigation in a Closed status.

The 2/6/53, issue, Page 2, Columns 4 and 5, contained an advertisement, "Rosenbergs Victims of A-Bomb Hoax?" The advertisement announced a ROSENBERG clemency rally for 12/12/53, at the Embassy Auditorium, Los Angeles. It contained the following comments:

"Are Ethel and Julius Rosenberg in death house for 2 years as a result of a hoax . . . execution under such a cloud as surrounds this case flouts all demands of reason and humanity."

Exhibit 30

The 5/26/53, issue, Page 1, Columns 1 and 2, contained an editorial, "Speak Up Now." The editorial stated:

"All the doubts surrounding the hysteria-spawned death sentence have grown in magnitude for additional millions throughout the world. The American people cannot afford these blood sacrifices on the alter of the atomic war cult."

Exhibit 31

The 6/4/53, issue, Page 1, Columns 2 to 5, contained an article, "The Rosenbergs Spurn Lie or Death Proposition." The following comments are contained therein:

"Julius and Ethel Rosenberg declared from a shadow of the electric chair today, 'By asking us to repudiate the truth of our innocence, the Government admits its own doubts concerning our guilt.'"

Exhibit 32

The 6/12/53, issue, Page 1, Columns 1 to 4, contained an article, "This Legal Lynching Must Not Be." The article commented, "Reason, conscience, the dictates of elementary justice, human compassion -- all of these have rebelled throughout the world against the grotesque death sentence spawned by hysteria and nurtured by men who must thrive on human corpses . . . the monstrous hysteria which spawned this tragedy can be stemmed and turned."

Exhibit 33

The 6/22/53, issue, Page 1, Columns 1 and 2, contained an editorial, "Our Pledge to the Rosenbergs." The editorial stated, "If they had been spared the dread machinery of frame-up would have been bared for the world to see. The edifice of lies about the Soviet menace and atomic espionage would have crumbled to the ground . . . the executioner killed but they failed in their larger purpose. The hope was through this public execution to silence opposition to their frantic campaign for war and greed . . . the Rosenbergs have joined the martyrs to greed and reaction and war."

Exhibit 34

The 6/22/53, issue, Page 3, Column 5, contained an article, "The Rosenberg Fight Will Go On." This article comments that ARTHUR TAKAI, spokesman for the LACSJRC, announced that the committee will remain intact until the Rosenbergs' name is vindicated.

Exhibit 35

The 7/2/53, issue, Page 6, Columns 1 to 4, contained an article, "Rosenberg Attorney Condemns Politics of Hasty Execution." The article reflects that DANIEL G. MARSHALL stated, "When lawyers review the Supreme Court's action in this case they will have to conclude that the decision which finally signaled the

CDW/as

Execution of Julius and Ethel Rosenberg was a political action taken in such haste as to mark it as different than any other action in the entire history of the court." MARSHALL told of the astounding panic that gripped the EISENHOWER administration and the Supreme Court, itself. He said that in no way has their execution removed the serious and substantial doubt that remains regarding the verdict against them.

Exhibit 36

The 7/10/53, issue, Page 3, Column 5, contained an article, "Sobell Campaign to be Launched Thursday Night." The article comments, "An all-out campaign to win transfer of Morton Sobell from Alcatraz Island to a regular Federal prison will be launched here next week, the Committee for Justice in the Rosenberg Case said today."

Exhibit 37

The 7/15/53, issue, Page 3, Column 5, contained an article, "National Leaders of Rosenberg Campaign in L.A." The article comments, "The search for truth in the cases of Ethel and Julius Rosenberg did not end with their executions. The search continues, not only for justice for the Rosenbergs, but for Morton Sobell as well." According to the article, a meeting was to be held at the Park Manor, Los Angeles, on July 16, with HELEN SOBELL, described as the wife of the atom spy frame-up victim, announced as the speaker.

Exhibit 38

This exhibit, in the issue of 7/20/53, "Daily People's World," Page 3, was an article captioned, "Conference Vows Freedom for Sobell." The article commented that Mrs. SOBELL had sketched in detail the facts of the frame-up of MORTON SOBELL. According to the article, DAVID GRUTMAN, President of the Southland Jewish Organizations, called for unity of the Jewish community and its leaders in the fight against "scapegoatism" which, he said, was reflected in the persecution of the ROSENBERGS and SOBELL.

Exhibit 39

The 7/29/53, issue, Page 2, Column 5, contained an article, "Rosenberg Injustice May Grow." The article was dated Chicago and contained comments from Rabbi FOX in a column of a Chicago newspaper. Rabbi FOX is alleged to have stated that Judge IRVING KAUFMAN, who handed down the death penalty in the ROSENBERG case, was the unconscious victim of furor that has seized many fellow Americans.

The 8/7/53, issue, Page 3, Column 2, contained an article captioned, "Rosenberg Group to Pick Officers." Exhibit 41

The 10/23/53, issue, Page 3, Column 5, contained an article, "Sobell-Rosenberg Group Meets Monday." This article comments, "Plans for an action campaign to free Morton Sobell from Alcatraz Prison, where he is held as the victim of the atom spy frame-up which resulted in the deaths of Ethel and Julius Rosenberg, will be made at a meeting of the Rosenberg-Sobell Committee next Monday at Park Manor, 607 South Western Avenue."

Exhibit 42

The 6/11/54, issue, Page 6, Column 5, contained an article, "Kahn, Marshall Will Address Rosenberg Meet." The article comments, "The occasion is the eve of the first anniversary of the execution of Ethel and Julius Rosenberg. The meeting will be dedicated to the campaign to obtain justice and vindication for Morton Sobell, victim of the Rosenberg frame-up."

Exhibit 43

The 9/7/54, issue, Page 3, Column 1, contained an article, "Sobell Party Will Feature Freedom Scroll." The article comments, "A scroll call for justice which will call attention to the injustice of the Alcatraz imprisonment of Morton Sobell will make its first public appearance at a party Thursday night, September 16, at Park Manor, 607 South Western Avenue. Sobell, a co-defendant with Ethel and Julius Rosenberg, is serving a 30 year sentence. Despite the fact that Sobell is a political prisoner, Federal authorities transferred him to 'The Rock' reserved for dangerous criminals."

Exhibit 44

The 1/21/55, issue, Page 7, Column 1, contained an article captioned, "New Book Tells of Atom Spy Hoax." The article contains a review of the book "The Atom Spy Hoax" by WILLIAM A. of the American people. The article concludes by stating, "Starting with the case of 13 Canadians arrested on 2/15/46, allegedly as part of an atom bomb spy ring, the book covers every atom spy case from that time on, including the case which touched off world-wide protests, the first atom spy trial in world history, that of Ethel and Julius Rosenberg and Morton Sobell."

Exhibit 27

The 2/8/55, issue, Page 5, Columns 1 and 2, contained an editorial, "Cohn and the Sobell Case." The editorial comments, "Harvey Matusow, the ex-Justice Department informer, has described in some detail how Roy Cohn manufactured the evidence which sent 13 Communist leaders in New York to jail . . . with the clever use of perjured testimony and manufactured evidence he helped snuff out the lives of two innocent people . . . surely, one of the products of Matusow's expositions of the frame-up system in which Cohn played so leading a part should be a renewed demand for justice for Morton Sobell."

Informant advised that the LACSJMS, which was formerly known as the LAC SJRC, and sometimes referred to as the Los Angeles Rosenberg-Sobell Committee, from its inception was dominated and controlled by the LACCP through the assignment of CP members to work on the committee and to direct the activities of the committee. The informant advised that critical discussion by CP members was that the LACSJMS should be reactivated and revitalized in a more aggressive way than it was in the past and that its activities should be expanded in terms of securing maximum mobilization of forces to insure attainment of its objectives.

The editorial stated, "If they had been spared the dread machinery of frame-up would have been bared for the world to see. The edifice of lies about the Soviet menace and atomic espionage would have crumbled to the ground . . . the executioner killed but they failed in their larger purpose. The article comments, "The search for truth in the cases of Ethel and Julius Rosenberg did not end with their executions. The search continues, not only for justice for the Rosenbergs, but for Morton Sobell as well." According to the article, a meeting was to be held at the Park Manor, Los Angeles, on July 16, with HELEN SOBELL, described as the wife of the atom spy frame-up victim, announced as the speaker.

RUBIN, published in New York, charging that every case purporting to relate to Soviet atomic espionage is a fraud and a deception.

of the American people. The article concludes by stating, "Starting with the case of 13 Canadians arrested on 2/15/46, allegedly as part of an atom bomb spy ring, the book covers every atom spy case from that time on, including the case which touched off world-wide protests, the first atom spy trial in world history, that of Ethel and Julius Rosenberg and Morton Sobell."

Exhibit 27

The 2/8/55, issue, Page 5, Columns 1 and 2, contained an editorial, "Cohn and the Sobell Case." The editorial comments, "Harvey Matusow, the ex-Justice Department informer, has described in some detail how Roy Cohn manufactured the evidence which sent 13 Communist leaders in New York to jail . . . with the clever use of perjurad testimony and manufactured evidence he helped snuff out the lives of two innocent people . . . surely, one of the products of Matusow's expositions of the frame-up system in which Cohn played so leading a part should be a renewed demand for justice for Morton Sobell."

PROPERTY OF FBI—This confidential report and its contents are loaned to you by the FBI and are not to be distributed outside of agency to which loaned.

JONES stated he first met PERL, who was known to him as WILLIAM MUTTERPERL, several years after 1934 when PERL commenced his employment at Langley Field in theoretical aerodynamics. JONES did not recall the date that PERL came to Langley Field, but stated it was two to five years after JONES had started working there. JONES commented that he was very poor in remembering dates or specific periods of time.

According to JONES, PERL was not employed in the same section at Langley Field, but that they both had had an interest in theoretical aerodynamics. JONES advised he considered PERL to be a good friend of his during the time PERL was at Langley Field, and that they associated together on a social basis as well as sharing mutual interest in theoretical aerodynamics. He stated that PERL was not as advanced in theoretical aerodynamics as he, and would often ask advice from him on problems or formulas.

JONES advised he could not recall the date that PERL left Langley Field or where he went when he left that employment.

JONES stated that his friendship ceased when PERL left Langley Field, and that he could only recall seeing PERL once after that time and that was in Cleveland when PERL was employed at NACA Laboratory. He stated he does not recall just when it was he saw PERL in Cleveland, but it was after PERL was married as he remembered going to PERL's apartment to meet PERL's wife. JONES advised he did not recall the location of this apartment, but remembers it was a very small one; and there was no one present at the apartment but PERL, PERL's wife, whose name he remembered as "BETTIE" or "HETTIE," and himself.

JONES stated that his present wife, DORIS COHEN, prior to her marriage to him was also well acquainted with PERL at Langley Field. He advised that his wife, DORIS, had told him prior to their marriage, which he believed was in May, 1946, after first stating it was in 1945, that she had seen PERL in Pasadena, California, at which time PERL was attending school at California Institute of Technology; and she was employed at Northrup Company, Los Angeles. He stated that he does not believe his wife has seen PERL other than this occasion in Pasadena, since PERL left Langley Field.

-2- 65-59312-683

JONES was unable to recall just how he happened to see PERL in Cleveland, and advised he believed it probably was in connection with a business trip he made to Cleveland on behalf of Army Specail Weapons Unit, when he visited the NACA Laboratory, Cleveland, and the JACK and HEINTZ Company, Cleveland. He stated he believed this is the time he saw PERL, and that on this trip he stayed in Cleveland several days which would account for why he had time to visit PERL's apartment, as his trips to Cleveland normally were of one day duration which time was normally spent in conferences at the laboratory.

JONES stated he did not recall what he may have discussed with PERL, but did not think he would discuss his, JONES', work as PERL was never interested in anything but what he personally was working on. JONES advised he may have possibly mentioned to PERL what he was in Cleveland for, and possibly PERL was at one of the conferences at the NACA Laboratory in Cleveland attended by JONES.

JONES advised that he has had no contact with PERL since that time other than to read some of PERL's writings regarding work he was engaged in in Cleveland and some notes written by PERL on lectures by Dr. THEODORE VON KARMAN, a well known expert in aerodynamics. He stated these writings and notes were disseminated throughout the various offices of NACA.

According to JONES, after PERL was indicted in New York, JONES and his wife received a letter from an individual named SHAMS from New York, who was unknown to them, but described himself as a friend of PERL's. He stated SHAMS was soliciting funds to assist PERL in raising money to post as bail. JONES said he and his wife were willing to contribute money for PERL's use, but were somewhat dubious of the letter, as there was some mention of a passport in the letter which they could not understand. He was unable to recall what was said in the letter regarding the passport; however, he stated he or his wife wrote to SHAMS for more information, and received a reply thanking them but stating the money was no longer needed. He did not recollect why the money was not needed, but stated it was his impression that the amount of the bail was either lowered or the money had been raised from other sources.

Mr. JONES advised he had no other knowledge of activities on the part of PERL except while at Langley Field, PERL was a member of

65-59312-683

the Federation of Architects, Engineers, Chemists and Technicians and of the American Association of Scientific Workers. JONES stated that he personally was very interested and active in these organizations; however, he remembered PERL merely to be a member and does not believe he held any particular offices in the organizations. JONES advised to his knowledge these organizations at Langley Field were made-up of persons loyal to the United States, and any program inimical to the best interest of the United States would not have been sanctioned by the membership.

The Joint Fact Finding Committee on the Un-American Activities, California State Legislature in its 1947 report described the FAECT as a Communist front organization, however, no specific mention is made of the Hampton Virginia Chapter.

This committee in its 1948 report described the American Association of Scientific Workers as a Communist front organization.

JONES advised that he knew nothing of PERL's associations or activities after he left Langley Field, and that he had never known any of PERL's family other than his wife. He had never seen PERL other than on the occasions at Langley Field and Cleveland, as previously stated. He advised that the only associates of PERL he knew at Hampton, Virginia were the fellow employees at NACA, Langley Field, and that he could not now recall any particular persons as close associates of PERL other than he and Mrs. JONES.

JONES advised that his former wife, from whom he was divorced in about 1944, is HAZEL ST. CLAIR JONES, who had a nervous breakdown and was hospitalized at Williamsburg, Virginia. He stated that she still is in this hospital.

JONES stated that he recalls an incident, while employed at Langley Field, when a document charged out to Mr. SOULE was lost. He stated that he remembers that everyone was asked to make a thorough search of their desks and papers for the document. He could not recall the date or year when this incident occurred, nor could he recall the contents or appearance of the document.

JONES advised that he does remember that he felt no particular responsibility for the loss of this document, as it had been charged

-4- 65-5932-683

to Mr. SOULE. He stated that he is sure that he must of seen the document "Guided Missles, Development, Status and Availability," as he was working on that project; however, does not now have any independent recollection of the document or particular circumstances concerning its use prior to the time it was lost.

JONES stated that he does not believe that he unknowingly or mistakenly picked up the document among his papers or carried it to another office or city. He advised that he has no reason to believe that he had taken the document on his trip to another place and left it by mistake. He stated he realized that it was a possibility that he or someone else may have mistakenly taken the document, but that he has no reason to believe that this was done; and would have no idea who may have taken the document or where it may have been left.

→ JONES advised that he was not acquainted with any of the following individuals:

MICHAEL and ANN SIDOROVICH
MAX and HELEN ELITCHER
ALFRED and LOUISE SARANT
MORTON and HELEN SOBELL
ETHEL and JULIUS ROSENBERG
JOEL BARR
VIVIAN GLASSMAN
ANDREI I. SCHEVCHENKO

Photographs of the above individuals were exhibited to JONES, and he advised he was not familiar with any of the photographs other than to say he recognized the photographs of the ROSENBERGS as he had seen them in the newspaper, and thought the one of VIVIAN GLASSMAN looked familiar. He stated he had no idea who VIVIAN GLASSMAN is or why her photograph looked familiar.

JONES advised that PERL at no time requested any unauthorized information from him, and that he had no information which would indicate PERL or any other person was engaged in espionage on behalf of the Soviet Union or any other country.

Mrs. JONES was interviewed at her residence at 840 Lincoln, Palo Alto, California, on March 11, 1952 by SAs WAYNE K. WELCH and PETER J. HOPKINS.

65-59312-683

Mrs. JONES advised that she first met WILLIAM PERL in about 1939 shortly after PERL came to work for NACA at the Langley Memorial Aeronautical Laboratory, Langley Field, Hampton, Virginia. She stated she thought that she first met PERL at work, as she recollects that she and PERL each worked on a phase of the same problem shortly after PERL's arrival at Langley. She advised that although they were acquainted at work her primary association with PERL was of a social nature.

Mrs. JONES said they, she and PERL, "ran around" in social groups consisting entirely of persons employed in NACA. She advised she and PERL dated each other for several months, and they dated quite frequently for some time. She said that she was never overly attracted to PERL, but that he was "rushing her." She said that she respected PERL and considered him a brilliant man at his work, but socially as a companion she considered him quite immature and naive and, therefore, somewhat of a bore. She explained this by advising that PERL was completely wrapped up in his work, and when in social affairs was always thinking of his work and wanted to discuss it. She stated this was not done in any breach of security regulations, as all the people with whom PERL associated, worked at the NACA and like PERL were cleared to handle security information.

Mrs. JONES advised that her own close social association with PERL was discontinued about two years or so before PERL left Langley Field; however, she and PERL still associated in the same social group which consisted entirely of fellow employees at Langley Field. Mrs. JONES said that none of the scientists at Langley had anything in common with the people at Hampton, Virginia, therefore, had never had any social contact or friendship among the town people. Regarding other persons in this group, Mrs. JONES recalled that her husband, ROBERT JONES, SAM KATZOFF and MILTON KLEIN were PERL's friends and companions at Langley Field. She believed KLEIN is now working for NACA at Cleveland, Ohio. She was unable to recall the names of any other persons in this group. Mrs. JONES said she did not know too much of PERL's activities except he seemed completely absorbed in his work, and had no other interest. She recalled he had an apartment or room downtown Hampton, Virginia, but could not recall the street or address. She said the one impressionable thing about the apartment which she could remember was that PERL had built a phonograph in the closet of his room. She said that she had observed nothing indicating

4-12-47

PERL was interested in anything other than his work, as he never seemed interested in political or international affairs, and was never interested in any discussions in these matters. She advised that after she ceased dating PERL, he dated another girlfriend whose name she could not recall, but whom she remembered as being red haired. PERL also, according to Mrs. JONES, dated Mrs. JONES' roommate, LOUISE MOSS. She stated Miss MOSS presently resides at the Roger Williams Hotel, 28 E. 31st Street, New York City. Mrs. JONES could not recall any other friends of PERL. She advised that PERL's time was presently spent in his work, and that his principal means of relaxation seemed to be in playing handball.

Mrs. JONES said she cannot now recall just when PERL left Langley Field, and she does not know where he went from Langley Field.

Mrs. JONES said she did not see PERL again until she met him in Los Angeles, California, at the end of 1945, at the time Mrs. JONES was working in Los Angeles and PERL had come to Los Angeles for a continued study at the California Institute of Technology. Mrs. JONES said that for a period of three or four months, possibly until March, 1946, she saw PERL four or five times at the most. She advised, while there, she met PERL's wife, and has no information concerning her, having only seen her on one or two occasions. Mrs. JONES said she visited at the Perl apartment only once. At this time, she advised it was her impression that PERL was devoting all his time to his studies, and was not engaged in other activities. She advised it was her impression that PERL had no friends or associates in Los Angeles at that time. She advised that prior to her meeting HETTIE PERL, wife of WILLIAM PERL, in Los Angeles, she had never seen her before.

Mrs. JONES said that she and her husband had had no personal contact with Mr. PERL since their marriage in 1946; however, sometime ago they did receive a letter from PERL. She could not recall just when they received this letter, and stated it was perhaps a year or so ago.

In this letter, according to Mrs. JONES, PERL said he was being investigated regarding possible Communist sympathy on his part, and that his wife was being accused of having made statements

65-59312-683

sympathetic to the Soviet regime and Russia. She advised, according to the letter, because of this the NACA was investigating PERL and his wife for possible Communist sympathies. PERL, in the letter, requested an affidavit from Mrs. JONES that would advise that Mrs. PERL had not shown or expressed sympathy to the Soviet Union or Communism. Mrs. JONES said she did not write this affidavit, that she had only met Mrs. PERL in Los Angeles and did not know enough about her to comment in any way. Another reason, according to Mrs. JONES, for her not writing this affidavit was, at the time, both she and Mr. JONES were under investigation and had been suspended from working on or having access to any classified material at NACA, Aeronautical Laboratory. She said investigation of them also had to do with unfounded allegations that she and her husband had Communist sentiments. She advised because of the position of the JONESES themselves, at that time, they were not in any position to write an affidavit to testify to the loyalty of another person. She advised that she had written PERL explaining this to him.

Mrs. JONES advised that she is well aware that PERL is to be tried for perjury. She said that to her knowledge of the reasons for his being so tried is limited to what she has read in the newspaper, and from information written to her from friends in New York. She said that as she understood it, PERL is being tried because he stated he did not remember MORTON SOBELL, when PERL supposedly had attended school at the same time as SOBELL. Mrs. JONES advised that she had received a couple of letters from friends of PERL asking for financial assistance to raise necessary bail money for PERL. She stated she received such letters from HERBERT RIBNER and HERBERT PASS. She advised they requested this money be sent to HAROLD SHAMES, 1568 Macombs Road, the Bronx, New York City. She advised, however, that they, the JONESES, never sent any money because they received a subsequent letter that the funds were not now needed. Mrs. JONES said that RIBNER is working for NACA at Cleveland, and that PASS resides at 6773 Westward Beach Road, California. Mrs. JONES said that in letters requesting funds, there was not much information regarding facts of PERL's case, and SHAMES was supposed to give any necessary information. Mrs. JONES said she also had heard that PERL was being implicated because of the apartment he sublet in New York. She stated she could not recall just where or when she had learned about the apartmenthouse, but she heard the situation was very unfair to PERL. Regarding this apartment, Mrs. JONES explained that it was her understanding it had occurred when PERL was attending Columbia University.

- 65-59312-673

She advised that at the time housing was difficult to obtain, and PERL was fortunate to get an apartment that was sublet; and PERL did not know the person through whom he was to sublet the apartment, but leased the apartment through a third person. She said that she understood that PERL had not met the person from whom the apartment was sublet but rather did all his business through a third person. She said that PERL did not even pay his rent to the original renter but to the third person or some other designated person or agency. According to Mrs. JONES, this original renter, the one who subleted the apartment but whom PERL does not know, was involved in or accused of some type of activity which caused a question as to this person's national allegiance. She stated PERL now is being accused of disloyalty when in reality it is the person who allowed the apartment to be sublet who should be accused, and it is her understanding that the original renter is not known to PERL. Mrs. JONES does not know the address of this apartment, but understood it to be in Greenwich Village, New York City. She stated she could not now recall any more information regarding this incident, nor how she came by this information.

Mrs. JONES denied knowing any of the following individuals:

MICHAEL and ANN SIDOROVICH
MAX and HELENE ELITCHER
ALFRED and LOUISE SARANT
MORTON and HELEN SOBELL
ETHEL and JULIUS ROSENBERG
JOEL BARR
VIVIAN GLASSMAN
ANDREI I. SCHEVCHENKO

Photographs of the above with the exception of VIVIAN GLASSMAN and ANDREI I. SCHEVCHENKO were exhibited to Mrs. JONES, and she advised that she did not know any of the persons except that she recognized the ROSENBERGS as having seen their pictures in the newspaper.

Regarding her husband's association with PERL, Mrs. JONES advised that her husband was acquainted with PERL at Langley Field, however, this association was primary social. She advised that Mr. JONES has told her that he saw PERL in Cleveland after PERL went there from Langley Field. She stated that he had seen PERL on one or two occasions. She recalled that Mr. JONES had told her shortly after PERL was married at Cleveland, he went to PERL's apartment where

65-59312-683

he met PERL's wife. She advised to her knowledge Mr. JONES has had no other contact with PERL, and has not seen PERL since the JONESES were married in 1946.

Mrs. JONES said she has no information regarding PERL or PERL's associates engaging in any activity inimical to the United States. She said none of PERL's activities were to obtain information or data in which he would not have in line with work or study. She stated she had no information that PERL may have been disloyal to this country or no reason which might indicate that PERL may have committed perjury.

The San Francisco files contain no information identifiable with LOUISE MOSS, HERBERT S. KIBNER.

HAROLD SHAMES and MILTON M. KLEIN have previously been identified as fellow employees of PERL at NACA, Cleveland, Ohio.

SAM KATZOFF has previously been identified as a fellow employee of PERL at NACA at Langley Field.

In an application for Federal employment as an aeronautical engineer dated April 23, 1947, HERBERT RALPH PASS furnished the following background information: born, March 13, 1918, Brooklyn, New York; marital status, single; height, 5'6"; weight 145 lbs.; Social Security number 563-30-475; education, New York University, February 1935 to June 1938, received Degree of Bachelor of Aeronautical Engineering; address, 3959 Michael Avenue, Venice, California.

Included in the employment background HERBERT PASS listed employment from September 1938 to January 1943 at the National Advisory Committee for Aeronautics (NACA), Langley Field, Virginia.

San Francisco T-1, another Government agency which conducts intelligence investigations, advised in 1948 that they were in possession of information from a reliable source indicating that [REDACTED] had been heard making pro-Russian statements, was a Communist sympathizer and an associate of known Communists and Communist sympathizers.

Epstein Jacobs, and HERBERT RALPH PASS (Bufile 121-1328), former
associate and self-admitted "very close friend" of WILLIAM PERL
(Bufile 65-59312), the following additional information is being
set out by this Office. WILLIAM PERL, of course, is currently
under indictment in New York for perjury in that he denied under
oath knowing JULIE GREENBERG and MORDECAI BOBILL, both of whom
were recently convicted on charges of espionage.

PASS, it is observed, is currently employed at the
Naval Air Missile Test Center (hereinafter referred to as NAMTC),
Point Mugu, California, while CELIA JACOBS' common-law husband,
RASTHAN NIXON JACOBS, currently and for some time past has had
access to restricted areas at Point Mugu in connection with
Navy contracts awarded to him. It is noted further that HERMAN
T. EPSTEIN was also formerly associated with WILLIAM PERL as a
subordinate.

The records of the Los Angeles Office reflect that
CELIA GREENBERG, Post Office Box 27, Solomar, California, while
employed as a mathematician in the Aerodynamics Laboratory,
NAMTC, Point Mugu, California, was interviewed in December,
1948 during the course of a loyalty investigation concerning
HERBERT RALPH PASS, an aeronautical engineer appointee. She
advised at that time that she knew PASS while they both worked
at Langley Field, Virginia, from 1939 to 1943, and that she
had worked with him at Point Mugu since August, 1948. GREENBERG
stated that she found no occasion to question his loyalty.

The records of this Office disclose a report furnished
to this Office by the Zone Intelligence Office, 11th Naval District,

NOT RECORDED

24 NOV 1950

Los Angeles, California, on March 20, 1950, concerning ROBERT ST. CLAIR SWANSON, Aeronautical Engineer, NAMTC, Point Mugu, California. A loyalty inquiry has also been conducted on SWANSON by the Bureau, as requested by Bureau letter dated March 9, 1950. Reference is also made to Los Angeles letter dated March 20, 1950.

[REDACTED] It is noted on page 2 of above-mentioned letter Lieutenant MAX PIPER, Security Officer, NAMTC, Point Mugu, California, advised that the activities of [REDACTED] and his immediate circle of fellow employees had come to the attention of his office and the Office of Naval Intelligence, in view of the fact that the group [REDACTED] was located in an isolated position separate from the rest of the base and handled secret information. During their investigation no clearances [REDACTED] and his fellow employees for the handling of secret work, the Security Office and the Office of Naval Intelligence agents had received no cooperation from [REDACTED] group. Further, a former employee of this group [REDACTED] (later determined as being [REDACTED]) had once been the wife of a reported Communist.

The Office of Naval Intelligence report referred to above further mentioned that specifically a question existed as to the loyalty of [REDACTED] [REDACTED] who was then employed as a mathematician under [REDACTED] supervision. Further, the report continued that [REDACTED] was listed as a personal reference for one [REDACTED] the latter a colorable individual, and when interviewed [REDACTED] had defended [REDACTED] to a high degree. Similarly, it was found that, because of a so-called "clique" existing in the Aerodynamics Laboratory, it was difficult to secure information concerning the several individuals employed there.

The Zone Intelligence Office, Office of Naval Intelligence, Los Angeles, California, in a "flimsy" dated June 13, 1950 furnished to this Office, reflected that [REDACTED] had listed [REDACTED] as a reference and that [REDACTED] was suspected of disloyalty to the United States Government.

CELIA EPSTEIN GREENBERG was also interviewed in April, 1950 during the course of a loyalty investigation concerning her alleged ex-husband, HARRY GREENBERG, an aeronomical flight research scientist, National Advisory Committee for Aeronautics, Ames Aeronautical Laboratory, Moffett Field,

~~LA 6-5407~~

California. She vouched for his loyalty from the date of their marriage in 1940 until their separation in 1943.

The records of this Office further reflect that a Bureau Appraiser - Special Agent investigation was conducted in October, 1948, concerning HERBERT HENRY STICKNEY (Bureau 67-427707), whose father-in-law, EASTMAN HATHANIEL JACOBS (identical with EASTMAN NIXON JACOBS), was then residing with CELIA GREENBERG, above-mentioned.

Information has been developed, as reflected in a current report of the Los Angeles Office in the matter of WILLIAM PIRL, that HERBERT PAES, above-mentioned, was given as a personal reference on March 16, 1951 by HARRY GREENBERG in an application for employment at Northrop Aircraft, Incorporated, Hawthorne, California. HARRY GREENBERG is believed to be identical with CELIA GREENBERG's alleged ex-husband. It is noted that Northrop authorities declined to hire GREENBERG, inasmuch as they had ascertained that GREENBERG had recently been discharged from Ames Aeronautical Laboratory, Moffett Field, California, in the interest of national security. No other details were known concerning this matter.

Office Memorandum • UNITED STATES GOVERNMENT

TO : [REDACTED]

DATE: 2-13-50

FROM : [REDACTED]

SUBJECT: [REDACTED]

In accordance with the memorandum of Special Agent JOHN L. FITZPATRICK in this office dated January 12, 1950, reflecting the results of a surveillance on the home of MARTIN DEUTSCHE.

All previous references cited in said memorandum have been checked and the facts are set forth below:

[REDACTED] DR. DEUTSCHE. As indicated in 113-700, this individual is the father [REDACTED]

100-0-22-70 reflects that SGT advised on July 22, 1942 one [REDACTED] entered the United States at Miami via Pan American Airways from Cuba. [REDACTED] advised ONI that he was born in [REDACTED] on [REDACTED] that he left Vienna in September, 1938 and went to Paris where he enrolled in the Czechoslovakian Army in France. He was a private in this Army until September, 1940. He left France for Cuba, arriving in Cuba in December, 1941. [REDACTED] stated to have been Jewish and to have been destined to [REDACTED] passport number 1000 issued by Czechoslovakia. b7c

113-700 suggested by CPT that [REDACTED] might be interviewed profitably concerning loyalty but it is not known that any future action was taken in this regard.

100-300-7-p.36 reflects, according to information verified by Special Agent L. G. [REDACTED] in an interview with Miss MARY WICKS in 1948 that Dr. and Mrs. [REDACTED] DEUTSCHE were on the mailing list of the North American Spanish Aid Committee in 1942. This fact had earlier been established through an anonymous source. She stated that names were placed on this list without necessarily the consent of the named person.

100-111-78-pages 74, 79. This is a report of Special Agent JAMES A. FITZPATRICK on dated April 4, 1944 and entitled JOINT ANTI-FASCIST REFUGEE COMMITTEE, INC., NEW YORK (C). The information was obtained from an anonymous source that both Dr. [REDACTED] and Mrs. [REDACTED] DEUTSCHE accepted an invitation to attend a reception given in honor of Mr. W. K. DAVIS, National Chairman of the [REDACTED] on July 16, 1942. The reception occurred at the home of Mr. J. [REDACTED] and the records further reflect that the DEUTSCHEs were present and acted as "holders" in connection with the fund drive, which was a necessary part of the reception.

FEB 14 1950

100-369-6400, 6523 and file of Mr. FELIX and Mrs. (Dr.) HELEN DEUTSCH. The investigation conducted concerning these people by the New Hampshire State Police in June, 1942. The investigation was predicated upon two complaints that the DEUTSCHEs were of suspicious character and possibly pro-Soviet. The complaints were filed in 1942. The New Hampshire State Police determined that the DEUTSCHEs together with Dr. MARION RUTHERFORD, who will be discussed hereinbelow, had purchased a farm known as "Pabayaga" in Wolfboro, New Hampshire, in approximately 1936. It is operated as a farm. Both doctors maintained offices in the farmhouse. The State Police reviewed their library and the only book of possible interest was one entitled "Green Worlds" by V. I. LENIN. RUDOLPH HINDEN, it can be noted, has long been a Soviet propagandist.

The State Police further ascertained that the DEUTSCHEs employ as caretakers MARY VERA BICKFORD, both of whom have excellent reputations for character and loyalty as of 1940 in Wolfboro.

New Hampshire Police in June 1942 interviewed the Bickfords who stated that there was no basis in fact for questioning the loyalty of FELIX and HELEN DEUTSCH.

This file further reflects that [REDACTED] in September, 1947 identified [REDACTED] DR. DEUTSCH as a paid-up member in good standing of the Cambridge Chapter PTA.

b7d

[REDACTED] 100-369-6400, 6523 were CII flimsies pertaining to [REDACTED] which have been destroyed. The Navy was contacted and reviewed these references which contained no information additional to the foregoing. b7c

DR. HELEN DEUTSCH

In the information pertaining to this individual contained in serials 100-369-1, 100-369-6523, 6461 and 100-390-7-page 36 have been incorporated material pertaining to her husband immediately above.

MARVIN C. PUTNAM

100-369-27 refers to a Dr. MARVIN C. PUTNAM, Child Care Specialist, identified by confidential source [REDACTED] to SA Thomas Cloughlin as one of those persons interested in the Parents Federation of Boston. Among these persons interested in this are ANN BURKARD and several of her associates. It is possible, but not likely, that the Dr. MARVIN C. PUTNAM is identical with the instant Dr. M. C. PUTNAM in that both are child specialists. b7d

100-369-5 is a clipping from the Boston Globe dated September 11, 1944, concerning the original opening of the Hazel Adams School. The news item identifies the trustees and sponsors of the school together with the first faculty members. Among these is Dr. MARVIN C. PUTNAM.

100-3708-107-page 32, 115 and 100-6684-181 contain no references to Dr. PUTNAM.

is in my ticket file on Dr. MARION C. PUTNAM. It reflects information derived from [REDACTED] on September 26, 1947 identifying Dr. PUTNAM as a member of the PTA of Massachusetts; information from the [REDACTED] identifying Dr. PUTNAM in October, 1947 as a sponsor of the JAFRC, a Communist unit report of Special Agent SLEALEY dated 9/18/44 contains a catalogue of the Adams school, which also lists Dr. PUTNAM as a faculty member, giving title entitled "Psychological developments of the child." b7d

This catalogue described PUTNAM as an MD from Johns Hopkins, a member of Psycho Analytical Association, the American Pediatric Society, the New England Medical Society, a board member of the Boston Family Association and director of the Children's Center, Boston, Massachusetts.

[REDACTED] on 2/10/48 advised that JACKIE STEPHUR and MARGUERITE LUSCIGE informed her a meeting of the Executive Board of the JAFRC planned for the evening. One of the topics to be discussed at this board meeting was the raising of funds and STEPHUR suggested that a house party be conducted at the home of PUTNAM which might be productive of money. b7d

[REDACTED] on March 29, 1948 advised that Dr. MARION PUTNAM attempted to obtain one extra ticket for the dinner being given Madame Irene Joliot Curie on that evening under JAFRC auspices. ELEANOR ROSEN promised she would leave a ticket at the door for Dr. PUTNAM.

[REDACTED] advised that on June 30, 1948 HARRY ENDOLISON discussed with STEPHUR possible contributors to the "Youth Group." Harry noted that the Youth Group was holding a meeting on that very evening with PAUL ROSENBERG as principal speaker and MARY MARGOLIS giving the speech for funds. STEPHUR stated Dr. PUTNAM, among others, would be a logical person to solicit. STEPHUR identified PUTNAM as being affiliated with the Children's Center.

In reference to the investigation conducted by the New Hampshire State Police in 1948 at Wolfeboro, New Hampshire, it is noted that Dr. PUTNAM was one of three persons closely affiliated with the NEUTSCHIS.

INTERNATIONAL CONFERENCE ON
PEACEFUL USES OF ATOMIC ENERGY,
SWITZERLAND - AUGUST 8 - 20, 1955

The "Buffalo Evening News" (daily newspaper published at Buffalo, N. Y.), in its final sports edition of August 8, 1955, carried a story on this conference with the byline of RONALD BATCHELOR, Reuters Staff Correspondent, datelined Geneva, Switzerland, August 8, 1955. This story was a resume of the events on the opening day of this conference. Of particular interest is the following excerpt:

"The Conference Chairman, Dr. HOMI J. BHABHA, Head of India's Atomic Energy Commission, prophesied in his presidential address that within the next forty years the enormous power of the hydrogen bomb will be harnessed.

"This would solve forever man's demands for power and energy, he said, adding that this is an 'absolute necessity because we have burned out our fuel reserves.'

Reuters News Service and datelined Geneva, Switzerland,
August 9, 1955. Of particular interest is the following
excerpt from this news account:

"Surprised delegates from seventy-five
countries saw Admiral LEWIS STRAUS,
Chairman of the United States Atomic
Energy Commission, hand over eight
volumes of atomic blueprints to Dr.
HOMI J. BHABHA of India, Conference
President. The volumes contained complete
sets of atomic technical data and
detailed descriptions of research reactors
now in use in the United States."

Dr. HOMI J. BHABHA, the Conference Chairman,
appears to be identical with Dr. H. J. BHABHA of the Tata
Institute of Fundamental Research, Bombay, India, who at the
present time is a close professional associate of BERNARD
PETERS, was., (Buffile 100-20595) and subject of the case case
titled "BERNARD PETERS, was., IS - By PAC," Buffalo origin.

Dr. BHABHA of the Tata Institute has also
been conducting negotiations with WELDON BRUCE DAYTON (Buffile
65-59336) and subject of the case entitled "WELDON BRUCE DAY-
TON, ESPIONAGE - R; PERJURY," Buffalo origin.

DAYTON, it will be recalled, is a close
associate of BERNARD PETERS, and a suspect in the espionage
apparatus which was headed up by JULIUS ROSENBERG.

BERNARD PETERS, it is to be noted, has a
lengthy history of association with suspected CP members in
the San Francisco - Berkeley, California, area between 1940
and 1946. Evidence is available to show that he was a member
of the KPD (Communist Party of Germany) while a student at the
Munich, Germany, Technical Institute from 1931 to 1933. PETERS
has consistently denied ever having been a member of the Com-
munist Party in the United States, Germany, or elsewhere, and
these denials form the basis for a secret indictment charging
him with a violation of Section 1001, United States Code
Title 18, which was rendered by a Federal Grand Jury at
Ingleton, D. C., on February 17, 1951.

RE 100-0

In addition, in 1949, FRANK PRICKMAN OPPENHEIMER, a brother of Dr. J. ROBERT OPPENHEIMER, and a person who has been identified in public hearings before the House as a former CP member, applied for a passport. In this passport application, FRANK OPPENHEIMER declared that the purpose of his travel was to engage in research at the Tata Institute of Fundamental Research, Bangalore, India.

The Bureau's attention is invited to电报 to Buffalo dated January 12, 1950 in the case entitled, "BERNARD PETERS, was, is - R," setting out that the Bureau had been informed by the Department of the Navy that BERNARD PETERS was then contemplating a trip to Bangalore, India, for the purpose of conducting stratosphere balloon flights near the Magnetic Equator with Mr. H. J. KHABBA of the Tata Institute of Fundamental Research. The Navy advised that such flights were planned for the purpose of determining the intensity of heavy particle components as a function of polar and azimuthal angles and would assist in the search for the existence of negatively charged particles in the primary cosmic radiation. The Rochester "Democrat and Chronicle" (daily newspaper published at Rochester, New York) in its edition of August 22, 1951, carried a report that Dr. HENRY HARD PETERS had resigned his position in the Physics Department of the University of Rochester to accept a special chair in cosmic ray research and teaching at the Tata Institute in Bombay, India. The story continued that this appointment was an aftermath of a four-month scientific expedition to the Institute in 1950, during which PETERS directed a special cosmic ray research project.

The Rochester "Times Union" (daily newspaper published at Rochester) in its edition of August 22, 1951, carried a similar story which made reference to Dr. PETERS' previous four-month mission at the Tata Institute in 1950 concerning cosmic rays. The story pointed out that some scientists connect cosmic ray research with AEC efforts to develop a hydrogen bomb and an even more potent form of nuclear fission pertaining to the gamma ray. Included in the news account was the paragraph, "Apparently PETERS made a highly favorable impression on the Indian Government and on the Tata student body during his temporary duty mission there last year."

Reference is made to the Transcript of Proceedings Before the Hearing Panel of the Board of Passport Appeals, held on January 15, 1955, in connection with the appeal by WELDON BRUCE DAYTON of the refusal of the Passport Division to grant him a passport on security grounds. A copy of this Transcript has been furnished by the Bureau to the Buffalo Office.

44-

This Transcript sets forth that the purpose of WELDON BRUCE DAYTON's proposed travel to India was to enable him to accept a three-year appointment at the Tata Institute of Fundamental Research, Bombay, India. In his testimony before this Hearing Panel, DAYTON described the Tata Institute as a very renowned research institute and in the field of cosmic ray research, as one of the outstanding schools in the world.

During the course of this hearing, Professor DALE CORSON of Cornell University, testifying in DAYTON's behalf, made reference to a man named BHABHA (spelled BHABA by CORSON in his testimony) as a world-recognized mathematical physicist who was connected with the Tata Institute, which according to Dr. CORSON, was primarily concerned with cosmic ray research.

During this same hearing, WELDON BRUCE DAYTON, testifying in his own behalf, stated that he met Dr. BHABHA in September 1952 at Chicago, at which time Dr. BHABHA was on a trip for the purpose of consulting with architects who were designing a new building for the Tata Institute. DAYTON testified that on that occasion he made a statement to Dr. BHABHA about his complex history on security matters as a citizen and resident of the United States. Although DAYTON did not specifically so testify, it would appear from the full context of the testimony that he informed Dr. BHABHA of his suspected connection with the ROSENBERG espionage apparatus and the allegations of his associations with Communist Party members over a period of years, these issues having represented the focal issues for which the hearing was called, and concerning which DAYTON had previously given testimony in considerable detail.

DAYTON also commented that he thought that BERNARD PETERS, previously identified in DAYTON's testimony as a close personal and professional associate, as well as a faculty member of the Tata Institute, had already told Dr. BHABHA something about DAYTON's security history.

~~CONFIDENTIAL~~

DAYTON continued that approximately a year and a half after his discussion with Dr. BHABHA, he received his offer of appointment to the Tata Institute. In other testimony, DAYTON pointed out that he was most anxious to avail himself of this offer because of the opportunity represented to pursue his profession as a cosmic ray physicist and because it would enable him to study in close collaboration with BERNARD PETERS.

Reference is made to WFO Letter to the Bureau dated February 3, 1950, bearing the PETERS caption in which it is set out on page 3 that in a passport application dated December 12, 1949, at Santa Fe, New Mexico, FRANK FRIEDMAN OPPENHEIMER applied for permission to travel for a proposed stay of one year to engage in research at the Tata Institute, Bangalore, India. In his application, FRANK OPPENHEIMER declared that he had received an invitation from Dr. H. J. BHABHA of the Tata Institute to spend one year working there. His studies were to revolve around cosmic ray research.

From the above, it would appear that Dr. HOMI J. BHABHA, the Chairman of the Atomic Energy Conference presently being held at Geneva, Switzerland, is identical with the Dr. H. J. BHABHA (or H. J. BHABHA), who over a period of years has maintained contacts with BERNARD PETERS, WILSON BRUCK DAYTON and FRANK FRIEDMAN OPPENHEIMER, all present or former U. S. scientists.

This summary is being submitted for whatever intelligence significance it may be deemed to constitute.

COMMUNIST AFFILIATIONS OF OFFICERS
OF THE CHICAGO ROSENBERG-SOBELL
COMMITTEE, OR CHICAGO SOBELL COMMITTEE

It should be noted that the Communist Party and the Communist Political Association have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

RUTH ROTSTEIN, nee Ruth
Merson, wa., Ruth Epstein

On [redacted] of unknown reliability, but who is a self-admitted former CP member, [redacted] b7d
[redacted] The informant stated [redacted] RUTH MERSON (RUTH ROTSTEIN) to have been a CP member and active in the affairs of the CP, [redacted] was unable to supply specific dates relating to her membership in the CP.

[redacted] of unknown reliability, [redacted]
[redacted], advised on [redacted] RUTH MERSON, US staff member, [redacted] CP member in URMWA in the Ohio area. b7d

[redacted] of known reliability, advised [redacted] that RUTH EPSTEIN openly advocated Communism and made no secret that she was a CP member.

[redacted]
FBI, another Government agency which conducts security investigations, advised in 1942 that [redacted] was at that time a Communist.

RUTH BELMONT, wa., Ruth Belmont

T-11, of known reliability, advised in December, 1946 that RUTH BELMONT was a registered member of the Dave White Club, CP, at Detroit, Michigan with 1946 Registration No. 54834. This informant related that BELMONT had recently been issued a new registration card for 1947 with Registration No. 68709 in the Dave White Club, CP. According to this informant, RUTH BELMONT had been a member of the CP for five years prior to 1946.

PHYLLIS PILDES

T-11, of known reliability, reported in March, 1946 that PHYLLIS PILDES, 850 East 40th Street, Chicago, was a registered member of the Oaklawn-Kenwood Club, CPA, Southside Section, Chicago, Illinois, with Card No. 51735, dated October 4, 1945. This informant also stated that PHYLLIS PILDES had CP Card No. 59412, dated November 25, 1944.

GERTRUDE GUNTER,
aka Gertrude Gunter Soltker

On February 6, 1946, T-12, of known reliability, advised that GERTRUDE GUNTER SOLTHER, wife of DAVID LEE SOLTHER, first joined the CP in 1934 in Chicago, Illinois. As of November, 1937, her membership in the CP had been uninterrupted, and she held the position of Unit Organizer of Unit 129, Section 1, District No. 8 of the CP in Chicago. She was then an actress with the Chicago Repertory Group, Inc. On March 15, 1938 she was expelled from the CP for having disregarded Party discipline, being in disagreement with Unit decisions; having sent in a letter of resignation from the CP, and having an individualistic attitude. The Party's decision on her expulsion carried provisions for her re-application for membership after three months.

T-12 continued that GERTRUDE GUNTER, upon re-applying for Party membership, had claimed that she always had a deep respect for the CP. GERTRUDE GUNTER further claimed that she had done much work on Party campaigns and programs for Spain, May Day and Memorial Day events. The informant related that GERTRUDE GUNTER further claimed that after having been dropped from the Party, she attempted to continue her political development by reading such publications as "New Masses," "The Record," BROWDER's "Peoples Front," and the "Communist." The informant stated that Miss GUNTER felt that the only place for her was in the CP, and she was re-admitted to CP membership in August, 1938.

It may be noted that the Congressional Record of September 24, 1942, on Page 7686, quotes the Attorney General as stating that "New Masses" is a Communist periodical.

It may be further noted that LOUIS F. BUDENZ, Assistant Professor, Fordham University, New York, New York, a former Party functionary during his ten years as a CP member from 1935 - 1945, testified during the trial of the eleven Communist leaders in New York that the "Midwest Daily Record" was published from February, 1938 through September, 1939 as a daily, and from September, 1939 through January, 1940 as a weekly. It was set up and completely financed by the CP. All staff members were CP members, and Mr. BUDENZ was Editor of the paper during its entire life.

ANN MARKIN, nee Ann Hall

T-13, of known reliability, stated on January 12, 1945 that ANN MARKIN, nee Ann Hall, of 2012 South Peoria Street, Chicago, Illinois, was a registered member of the CPA in 1944.

ACTIVITY

On June 18, 1954, T-14, another agency which conducts security investigations in the Chicago area, advised that a memorial meeting honoring JULIUS and ETHEL ROSENBERG was held on June 17, 1954 at Curtiss Hall, 410 South Michigan Avenue, Chicago, under the auspices of the Chicago Rosenberg-Sobell Committee, at which some three hundred persons were in attendance.

According to this informant, PEARL HART, an attorney who has defended Communists, called this meeting to order, advising them that this meeting was held to commemorate the First Anniversary of the deaths of ETHEL and JULIUS ROSENBERG, who were executed by the Federal Government on June 19, 1953 as atomic spies. In her opening remarks, Miss HART asked the audience to bear with her while she addressed the spirits of ETHEL and JULIUS ROSENBERG, "who are in this room tonight." According to T-14, Miss HART stated that, "The guests here all realize that your deaths were untimely, and that the sacrifice you both made will long be remembered and will have a decided effect on the future, for all of us, so your sacrifice was not in vain."

T-14 further advised that Rabbi S. BURR YAMPOL addressed those assembled, and told them that, "The Rosenbergs should still be here with

"... They did not deserve the punishment they received." YAMPOL further told the group that no one was killed as a result of the secrets given away by the ROSENBERGS, and in the future, "we" must endeavor to execute justice with kindness and mercy in cases like that of the ROSENBERGS.

According to this informant, MALCOLM SHARP, Professor at the University of Chicago, told the audience that he not being too familiar with the whole case, felt that justice would be done although he did not agree with the ROSENBERGS in most of their beliefs. According to SHARP, he felt that after the death of the ROSENBERGS a mark was placed on their two innocent children, and it was up to him and people like him to do something for them. According to T-14, supra, PEARL HART prepared a resolution which was passed, asking the transfer of MORTON SOBELL from Alcatraz to "any other federal prison", stating that Alcatraz was built to house only criminals, such as murderers and other such major offenders, and not a man such as MORTON SOBELL, who was guilty of nothing. According to Miss HART, this resolution was to be sent to the head of the New York Prison System.

T-14 also advised that Professor STEPHEN LOVE, an attorney and reportedly a professor at Northwestern University, confined his talk to MORTON SOBELL and his unjust sentence of thirty years for treason. According to LOVE, the only crime that SOBELL was guilty of and apparently convicted on was that he held four or five conversations with JULIUS ROSENBERG. According to this informant, LOVE concluded by telling the audience that he would keep on working and hoping that someday SOBELL would be released of this unjust charge.

T-14, supra, advised that approximately \$418 was collected at this meeting.

It should further be noted that T-15, T-16, T-17, T-18, and T-19, all of known reliability, furnished on June 21, June 21, June 22, June 24, and June 28, 1954, respectively, substantially the same information as above.

[REDACTED] of known reliability, advised that he knew PEARL HART, a Chicago attorney to be a member of the CP [REDACTED]

On April 7, 1952, T-14, supra, advised that STEPHEN LOVE was an active member of the National Lawyer's Guild in 1950.

The National Lawyer's Guild has been cited by the Congressional Committee on Un-American Activities as a Communist front which is the foremost bulwark of the CP, its front organizations, and controlled unions "and which since its inception has never failed to rally to the legal defense of the CP and individual members thereof, including espionage agents."

It should further be noted that on June 18, 1954, T-14, supra, advised that Rabbi S. BURR YEMPOL was a Communist sympathizer, member of the Chicago ROSENBERG-SOBELL Committee and a member of the Midwest Committee For Protection Of Foreign Born.
